

SUZUKI MOTOR OF AMERICA, INC.  
MOTORCYCLE

**NOTICE TO CALIFORNIA DEALERS ONLY**

## MSRP HANG TAGS REQUIRED ON ALL NEW MOTORCYCLES FOR SALE

As a courtesy reminder, motorcycle dealers in the State of California are required to provide a MSRP Hang Tag furnished by the manufacturer on every new motorcycle (including Burgman Scooters) displayed for sale at their dealership. These Hang Tags MUST list the MSRP and describe ALL the additional charges/fees that a retail customer will incur when purchasing the unit.

Suzuki Motor of America, Inc. has developed the current 2014 product line Hang Tags. You may locate these Hang Tags at [http://adplanner.suzukicycles.com/product\\_hangtags.aspx](http://adplanner.suzukicycles.com/product_hangtags.aspx) as well as the previous model year. Please display these Hang Tags as required by the law for each new motorcycle (including Burgman Scooters) displayed for sale at your dealership. Please complete the following: (1) print out the appropriate Hang Tag, (2) fill in the dealer-added costs and total recommended retail price, and (3) attach the Hang Tag to the motorcycle (including Burgman Scooters) handlebars.

**Please ensure that every unit displayed at your dealership has these required Hang Tags.**

Please refer to the below excerpt from California Vehicle Code Section 24014.
